

The Cruiser

Welcome!

Lone Star Skiers & Adventure Club welcomes you.

Formed as a "Non-Profit, Membership-Owned & Operated Ski and Social Club," we are the North Texas club for fun in the snow and water and for adventures around the globe.

We're hundreds of kindred spirits who like to travel, play and develop great friendships! As a large club, and an affiliate of an even larger organization (Texas Ski Council) we have tremendous buying power, so we offer travel deals that are hard to duplicate.

And . . .even if you could match the price, why share an exciting adventure with strangers instead of with friends?

We provide affordable ski and non-ski destinations, summer vacations, sporting events, social activities and unique functions year-round.

See which of our activities, events and adventures appeal to you. You don't have to be a skier to become a newly adopted member of our "ski and adventure family."
Hope you enjoy reading this newsletter!

Remembering March Happy Hour!

TSC Final Showdown

Remembering Whitefish, MT

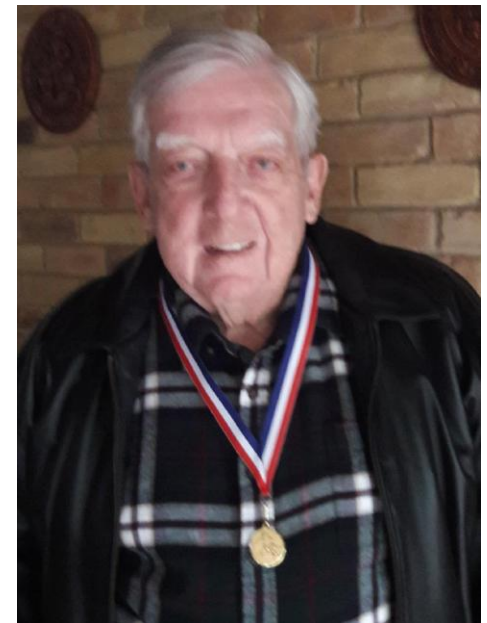

The fun continued with our Club Dinner at Buffalo Café. Alex and his crew took great care of us, tossing in their amazing chips and salsa for the tables. Trip Director Cheryl kicked off the evening with a short poem about LSS members persevering the cold temps and limited lifts. The fun continued with Trip Trivia and prizes, and ended with great food and fellowship.

Thursday weather was more of the same but skiing the backside of the mountain was an unusual experience with clouds above the trails and below in the valley. Inspiration Trail is aptly named as you ski along the mountain ridge experiencing an infinity affect. Our TSC Farewell party was back at the lodge where the clubs' racers received their medals. Our own Nicholas Fekete took a **GOLD** medal for the Men's 80+ bracket. Friday bought us 6-7 inches of fresh, dry powder! While the snow continued most of the day, many of us played in powder and had a blast! LSS ended the evening with a Mosh-Pit Pizza Party in the room "under the stairs". Saturday morning came early for the majority of our members, but all made it safely home. We close our 2019 Ski Season but are in the process of planning next season's trips. Stay tuned!

Lone Star traveled once again to the State of Montana to pit their skiing expertise against Big Mountain (Whitefish Resort). The weather was a little uncooperative with bone-chilling temps at the top of the mountain for a couple days and a winter storm here and there, but hey, we adapted and overcame!

Sunday evening started off with a Vintage Apres Ski courtesy of the Lodge at Whitefish. Champagne and yummy appetizers with good friends made the evening. By 9 pm – all LSS was checked in to their respective areas, with credentials, welcome packages and lift tickets in hand.

Whitefish offered a lot of variety to every level of skier. The nicest thing was rarely did we have to wait to board a lift and the slopes were not crowded. The TSC Welcome Party on Sunday night was a success with our own Robert Lamson scoring a pair of goggles in the raffle.

Whitefish with our guide after ice fishing. Thanks

Monday started with chilly temps but many of us skied anyway, enjoying the slopes until the wind picked up and the threat of frostbite became a possibility. Since the shuttle service could not return us to the mountain, we enjoyed our Happy Hours party at Bulldogs – a place with lots of history and excellent food! Tuesday brought more cold temps and limited skiing, but racing was a go as well as the Pub Crawl in downtown Whitefish. On Wednesday, ten members of our group journeyed to Glacier Park. Unfortunately, the Park was inaccessible due to snow and winter road closures, but we did get to snap a few pictures at Lake McDonald, shopped, and stopped at Isaac Walton for huckleberry cobbler and coffee/hot cocoa.
