ORANGE BEACH

On the Alabama Gulf Coast

May 10-13, 2019

Remembering Orange Beach

Lone Star had 32 members on what turned out to be a very relaxing trip to the white sands of Orange Beach. We stayed at Summer House condos on the beach. The participants were all given information on area activities prior to the trip so that they could pick what they wanted to do to occupy their time.

The trip started with a welcome happy hour that lasted almost 3 hours. After the happy hour some went on a sunset dolphin cruise. The days were spent on the beach, taking long walks, laying around the pool, shopping & trying out the local restaurants and bars. Rich Powell's favorite drink was the famous Bushwhacker. He had one (or 2) every place he went. Cactus Cantina's large was the size of an aquarium. In other words, the largest drink ever. No trip to Orange Beach would be complete without a trip to Flora Bama for music & fun. The other place not to miss is LuLu's for dinner. I believe most of the group enjoyed both places.

We had so much fun at the first happy hour that we decided to start the evenings off on Saturday & Sunday night with happy hours before everyone went to dinner.

The weather forecast showed rain every day, but we only had one morning that a really good storm blew through. The weather overall was beautiful. With that said it did not rain on our parade and everyone left relaxed and looking forward to the next beach trip.

Lone Star Skiers & Adventure Club wants to welcome you to the club.

This is your club. We are here to serve you and your adventure needs. See which of our activities, events or adventures appeals to you. You don't have to be a skier to become a member of our adventure family. There are plenty of activities for all.

If you are a skier, you can choose ski trips to international destinations or the best North American slopes. Our non-ski activities include national and international vacation opportunities as well as local events, social activities and unique functions year-round.

Use this newsletter to see what your club has to offer you!

A message from Debbie Rima, Director of Non-Ski Trips, dated 5/28/19

We have several non-ski trips that are filling up very quickly. If you are new to the club, you will want to know that these trips do fill up quickly, and it is often difficult to get on the trip if you do not sign up early. So if you are thinking about one of these trips, I suggest you grab a spot asap so you do not miss your opportunity!

We have one spot left for a female on our Portugal and Douro River Cruise. This price includes round trip air and 2 nights in Lisbon, 8 dinners, 6 lunches, 9 breakfasts, numerous tours, beer and wine. If you research this trip, you will see how popular it is and how difficult it is to get on these river cruises.

This is a great chance to see one of the most beautiful countries in the world. We won't be doing it again anytime soon, so grab this spot while you can!

Port Royal wants us back. Recall we could not go last time because a hurricane did a number on them. Well, they're back up and running and offering us the same great price as before, except this is over Labor Day weekend!!! No need to miss work!!! The resort offers some incredible pools with a swim up bar, we're right on the beach, and the condos are awesome! We have just 19 spots left. Grab 'em now!!

We have just 2 spots left for our March 2020 Havana trip!!! This trip is everything you would imagine Cuba would offer, including rides in '50s cars, a show at the Tropicana, lots of beach and music. Note the information on trip insurance for this trip. This trip will sell out quickly!! Grab your spot today!!

Your non-ski trip committee is working on more of these incredible trips, including Punta Cana next May, a New England cruise in the fall of 2020, and Costa Rica in 2021! We'll keep you posted as we get them approved and loaded for sign up!

Again, don't wait to sign up, or you may just miss an opportunity to go!
